

2018 FHF MEDALLION CLUES REVEALED

Monday, June 4th

The Father Hennepin Festival officially starts today.

You'll need a festival button to obtain the clues if you're going to play.

To get the daily clue, be at the Miller Road - Super America at 9:00 am each and every day.

Clues will only be available for one day before going away.

Finding the medallion this year may be a bit trickier with all the added road construction.

However, you won't need any tools to find me, other than your keen sense of deduction.

I'll warn you, it won't be easy to find me

You may have to look high, low, perhaps under, on or in something, or maybe in a **tree (It was in a pine tree)**.

City property is the only place the medallion will be hidden,

Searching on private property is strictly forbidden.

Tuesday, June 5th

It is day **two (Brittany is listed as #2 on Park & Trail Map)** of this fun festival tradition

Clearly, you've made finding the medallion your mission.

Should you be smart enough to find it, the thrill of victory will be worth \$500 smackers

This game of hide and seek is definitely not for slackers.

If you find the medallion, be sure to let us know right away

Stop by our office or call 763-421-2820, "I FOUND THE MEDALLION" is all you'll need to say.

Construction this summer has us modifying the festival schedule and site.

Check the schedule for specific events, but we'll still have fireworks that light up the night.

Wednesday, June 6th

Schools **(they are in SE corner of the City, same area as Brittany)** are set to break for summer vacation this week.

If you're still looking for things to keep your kids busy, give our Recreation brochure a peek.

For kids, we'll be offering t-ball, basketball, playgrounds and soccer **(amenities at Brittany)** programs to name a few.

At Andrews, for adults, we'll have softball and sand volleyball - which is brand new.

Seniors will find most of their activities at our Community Center on Gettysburg Avenue

Are you thinking to yourself, community center – who knew?

Thursday, June 7th

Oops, we found a printing error in the brochure regarding the location of the petting zoo. Visit www.fatherhennepinfestival.com it can tell you where to go and what there is to do.

I think despite the construction the festival will still be great. Hopefully by next year all the construction will abate.

Did you have the chance to adopt your duck?
If so, we wish you the best of luck.

It – the raffle – will be held on Saturday at six
Be sure to sign up before then to get your duck in the mix.

Again, check the website for the festival schedule and the most up to date news.
Or stop back to SA today at 2pm for a bonus clue.
